Thank you for your application to place your child in our Pre-School.

Once your child is offered a place and you accept it, further personal information and family details are required for our records; your child's birth certificate will also be required at this point and a copy made for our file.

Please note: completion of this form does not guarantee a place for your child.

If more applications than places are received, we will apply the over-subscription criteria listed in the Schools Admissions Policy, which can be found on the school website. Applications for each September will open in January with the first deadline for allocations being the 17th April. Parent/Carer's will be informed of the outcome of their application by the 5th May. Applications received after the 17th April will be held until the next wave of allocation. Following April there will be a monthly cut off, of the 17th with following allocation wave until all places are full.
